Qualastat Receives Lockheed Martin STAR Supplier Award

Lockheed NMAC Sr. Manager, Patricia Noonan presents STAR Supplier Award to Qualastat President and CEO, Vernon Judy

Gettysburg, Pa., January 17, 2012 – At a recent award ceremony, Lockheed Martin (NYSE: LMT) added another STAR performer to its growing list of exemplary suppliers. Qualastat Electronics Inc. hosted Lockheed Martin representatives who awarded Qualastat Electronics Inc. a Lockheed Martin Corporation STAR supplier award.

Lockheed Martin recognized Qualastat Electronics Inc. management and employees at the local facility as one of the top-performing suppliers to Lockheed Martin. The honor is awarded to Lockheed Martin suppliers that meet some of the most stringent performance criteria in the Aerospace Industry.

To join this elite group of STAR suppliers, Qualastat Electronics Inc. achieved 99.83% quality and 98.59% delivery for all products provided to Lockheed Martin for a minimum of one year. Additionally, Qualastat Electronics Inc. met the established criteria for Lockheed Martin's Supplier Performance Evaluation metric that evaluates quality, delivery, affordability and management / administration.

Lockheed Martin uses the Supplier Performance Evaluation metric across the Corporation to assess suppliers' performance. Lockheed Martin STAR Suppliers are provided visibility across Lockheed Martin Corporation. This results in increased opportunity for more business amongst each individual site. Lockheed Martin and its customers likewise share benefits in higher supplier product quality, improved delivery performance, and associated cost savings.

About Qualastat Electronics Inc.

Qualastat Electronics Inc., est. 1986, is a growing, small business with a production facility in Gettysburg, PA and an engineering center in Chandler, AZ. The primary focus of the business is to provide interconnection system solutions through development, manufacturing, and cross-functional design support. Such systems include: cable assemblies and wire harnesses (copper, fiber optic, and RF), semi-rigid assemblies, and sub-system and component integration. Qualastat Electronics Inc. is a dynamic, ISO 9001:2008 certified small business serving industries from Aerospace & Defense to Geophysical.
